

Europass Curriculum Vitae

Personal information

First name / Surname	Chiara D'Antonio
Address	1, V. Barlaam St., 44122 FERRARA (FE), ITALY
Mobile	+39.340.2641362
e-mail	chiara.dantonio@libero.it
Nationality	Italian
Date of birth	February, 2 nd 1982
Gender	female

Desired employment / Occupational field

Geologist / hydrogeological, environmental field

Work experience

Dates	February 2010 - onwards
Occupation or position held	Librarian
Main activities and responsibilities	Books loan-return, welcoming public, information, archive
Name and address of employer	High School "L. Ariosto", Ferrara (Italy)
Type of business or sector	School Library
Dates	September 2009 - onwards
Occupation or position held	Board of Directors
Main activities and responsibilities	Planning, collaboration and promotion of cultural activities/events
Name and address of employer	Cultural Association "PuntoZero", Ferrara (Italy)
Type of business or sector	Cultural Association and dance company (classical, contemporary and experimental), cultural events organization (dance performances, exhibitions, videoart); teaching activities
Dates	February 2009 – November 2009
Occupation or position held	Geologist, environmental studies
Main activities and responsibilities	Environmental studies, Environmental Impact Assessment (EIA), geological, hydrogeological, geomorphological and climatic analysis, analysis of local, national and international environmental laws (D. Lgs. 152/2006 integrated by D. Lgs. 4/2008 and European Environmental Directives); administrative management (public and private authorities, local administrations)
Name and address of employer	G.E.Plan Consulting S.r.l., Ferrara (Italy): oil and gas consulting company that provides services in oil&gas E&P, seismic interpretation and models development, environmental studies
Type of business or sector	Environmental field and oil&gas geology
Dates	June 2008 - June 2009
Occupation or position held	Laboratory
Main activities and responsibilities	Preparation of standard and calibration solutions for water analytical instruments, spectrophotometric analysis of calibration solutions and water samples, editing procedures for the Quality Management System Certificate UNI EN ISO 9001:200
Name and address of employer	F.S.A. S.n.c., Ferrara (Italy)
Type of business or sector	Planning, assembling installation and maintenance of systems for process control, data transmission

	and analysis
Dates	May 2005
Main activities and responsibilities	Study of: piezometric levels measurement; pumping tests, marker tests, data elaboration with specified software (Po River aquifer system)
Name and address of employer	University of Ferrara, Ferrara (Italy)
Type of business or sector	C.A.D.F. - Consorzio Acque del Ferrarese - Water-system of Guarda Ferrarese, Ferrara (Italy)
Education and training	
Dates	February 2010 to June 2010
Description and principal subjects	Training course of International Development Cooperation that consists of various courses between different colleges (Pharmacy, Medicine, Geology, Law, Business, Architecture), Ferrara (Italy)
Name and type of organisation providing education and training	University of Ferrara and International Development Cooperation Centre, Ferrara (Italy)
Dates	September 2005 – April 2007
Title of qualification awarded	M.Sc. in Earth Sciences “Geology: processes, resources and applications”, specific curriculum: “Exploration, management and protection of water resources” with Thesis in Applied Hydrogeology entitled “Numerical modelling of the Monte Amiata aquifer system (Southern Tuscany, Italy)”
Principal subjects/occupational skills covered	Hydrogeology, Applied Hydrogeology, Oil&Gas Geology, Geothermal Energy, Hydrostratigraphy, Environmental Impact Assessment, Applied Geology, Seismology, Organic Chemistry
Name and type of organisation providing education and training	University of Milan, Milan (Italy)
Level in national or international Classification	110/110
Dates	2004/2005
Title of qualification awarded	Begun M.Sc. in Earth Sciences, specific course of study: “Georesources and territory”, subsequently, relocation to Milan
Name and type of organisation providing education and training	University of Ferrara, Ferrara (Italy)
Dates	September 2001 – March 2005
Title of qualification awarded	B.Sc. in Earth Sciences, specific curriculum: “Geology for environment, territory and geological hazards” with Thesis in Environmental Micropaleontology entitled “Benthic Foraminifera as environmental bioindicators of trace metal pollution at the Sacca di Goro (Po River Delta, Northern Italy)”
Principal subjects/occupational skills covered	Hydrogeology, Environmental Geology, Applied Geochemistry, Micropaleontology, Environmental Impact Assessment, Applied Geology
Name and type of organisation providing education and training	University of Ferrara, Ferrara (Italy)
Level in national or international Classification	105/110
Dates	1996 - 2001
Title of qualification awarded	Secondary school certificated scientific-linguistic diploma (German-English)
Principal subjects/occupational skills covered	Scientific studies (Maths, Physics, Latin, English, German, Sciences, Italian and German Literature)
Name and type of organisation providing education and training	Science High School “A. Roiti”, Ferrara (Italy)
Level in national or international classification	83/100

Personal skills and competences

Mother tongue

Social skills and competences

Developed good communication skills in different works contexts, very good interaction and listening skills, excellent interactive skills in team or university groups, respect and good manners, available to learn new tasks, responsible in researches, studies and assignments

Moreover, I have completed the following social/organizational job experiences:

July, 28th – 31st 2009 – organization, competitors selection, information desk, welcoming public for Cultural Association “PuntoZero” c/o “Alias Res – movimenti creativi”, dance and visual arts festival, Ferrara (Italy);

March 2006 and April 2006 - Shop-assistant (sale of products, customer advice, stand layout) for Lush Cosmetics, Milan (Italy) c/o fair stands at “Fa’ la cosa giusta”, italian fair about international fair trade, Milan (Italy);

June 2002 - July 2002 – Coordinator (responsible for coordinating a children’s group, organizer of various activities) for ARCIragazzi society, Ferrara (Italy), which is an organization that plans children’s recreational activities

Organisational skills and competences

Good management skills in workgroups
Very good organizational skills in practical activities
Developed research skills regarding bibliographies, data and information
Adaptation skills

Technical skills and competences

Good knowledge of analytical equipment for *in situ* water analysis (pH-meter, conductometer, Eh-meter and multiparameter probe) and in laboratory (spectrophotometer and ICP-AES with tutor); good knowledge of environmental procedures for editing reports

Computer skills and competences

Experienced user of Windows XP, Vista
Experienced user of MS Office (Word, Excel, and Powerpoint)
Experienced user of MAC OS X
Experienced user of Internet browsers (Explorer, Safari, Mozilla Firefox); Outlook, Thunderbird and other e-mail managers
Familiar with MODFLOW 2000, GMS 6.0 and PMWIN (hydrogeological modelling software);
Familiar with GIS programs like ArcGis v. 9.3 and AutodeskMap;
Good knowledge of AquiferTests (Waterloo elaborating hydrogeology data software)

Artistic skills and competences

Good skills in technical writing and creative writing, many varied cultural and musical interests (books, art, events)

Other skills and competences

Actually, I’m learning French

OTHER INTERESTS: travelling abroad and sports (classical and contemporary dance, swimming); participations in cultural activities and events

Driving licence

Italian Driving License type B (car)

Additional information

Serious wish to work in geological/hydrogeological/environmental/international development cooperation field and availability to move abroad;

"FIRST Certificate in English", University of Cambridge, European Level B2 (June, 16th 2009 at Inlingua School, Ferrara)

WORKSHOPS/CONVENTIONS AND PUBLICATIONS

September 24th-26th, 2008, Ferrara, Italy – "REMTECH EXPO 2008 Remediation Technologies Exhibition, 2nd Edition", scientific and technical conferences with scientific committees on reclamation of contaminated sites and landfills (with certificate)

May 18th, 2007, Ferrara, Italy – "GROUNDWATER RESOURCES IN THE PROVINCE OF FERRARA", Convention sponsored by Emilia-Romagna Region, Province of Ferrara and University of Ferrara

June 6th, 2007, Milan, Italy - "ATMOSPHERIC PARTICULATE: FROM SAMPLING TO ANALYSIS", Convention sponsored by University of Milan (Department of Inorganic and Analytical Chemistry, Institute of Applied Physics) and Dionex Italy (with certificate)

September 21st-23rd, 2005, Spoleto, Italy - Geoitalia 2005, V Forum Italiano di Scienze della Terra
